Principal Wilson's Corner

Another amazing school year is coming to an end! We had a very successful year due to the wonderful, collaborative partnership between our students, staff members, and families. At AZ Compass Prep, many of our amazing students are reaching high goals set for them in a joint effort by working closely with their teachers and coaches. Each of our students set goals to pass their grade levels. Our Seniors have reached goals and almost earned their High Schools Diplomas! They set their goal to finish their high school education and achieved it!

This month of May we have many events to celebrate our many accomplishments here at AZCP. We have Prom, Sports Banquet, Our Senior Awards Breakfast, our 6th Grade to 7th Grade Changing of Mascots, Our 8th Grade promotion to High School, and High School Graduation. Seniors,

It has been an honor to know you these past couple years. You are always part of the Dragon Family. We have many students with scholarships, many going to university's and colleges, some are going to trade schools, and some are joining the work force.

Please come back and visit and let us know what great things you are doing in the word. Best wishes to all our Dragon families and have a safe and fun summer!!

Sincerely,

Mr. Phillip Wilson
