## AZ Compass Prep Families,

September certainly did fly quickly by! Our students and their teachers have been very busy setting the stage for a rich year of learning. By now, building and classroom procedures are well-ingrained, and students are deep into the literacy, math, science, and social studies content they will learn this year. Students have finished their bench-mark tests and our teachers plus students are looking forward to sharing that information with you at conferences.

A special thanks to the parents who came out to support our PAT night and Coffee with Admin. You are appreciated. Hope to see more of you next time.

Remember students and families can access your academic progress through our website <https://www.skylineschools.com/> and under the header resources, you drop down to check grades. The password is the same as last year but if you need a new one simply call Ms. Daisy in the front office and she can get it for you. It's always a great day to be a dragon!

Sincerely,  
Principal Wilson
